

About:

Summer Fillerz is a four week programme of free activities for Stevenage young people. The initiative is planned and delivered by Youth Engagement Stevenage (YES) a partnership of youth agencies, statutory services and projects supporting young people. The programme offers bookable and open access activities, and is co-ordinated and funded by Stevenage Borough Council.

Turn the Tide

Turn the Tide is a 'hands-on' experience for young people who may have an interest in woodwork, boats, or may just wish to build something using basic materials and hand-tools. This interest could lead to an apprenticeship and/or employment with local carpentry firms, or the International Boat Building College on the East Coast.
